This is your absolute essential guide to Vice City!

This ebook offers a really elaborate solution for the great game GTA Vice City by Rockstar Games. The book is optimized for use on the kindle. Yes, you will not only read the guide, you will use it!

Filled with tons of information and strategies for ALL the missions in the game this book safely guides you and our antihero Tommy Vercetti through the game. All oddjobs and other small things needed to complete Vice City 100% are included (directions for all 100 hidden packages, etc) and even more secrets that are not relevant to the 100% are uncovered and more interesting things about Vice City are told.

All chapters and missions are accessible from the table of content at the beginning of the Strategy Guide and lots of crosslinks between important parts of the walkthrough make navigating the 312 informative pages of this huge guide an intuitive breeze.

No DRM activated on this kindle eBook.
